Barber Motorsports Park Testing Event – August 10-11, 2026

Load-In & Schedule

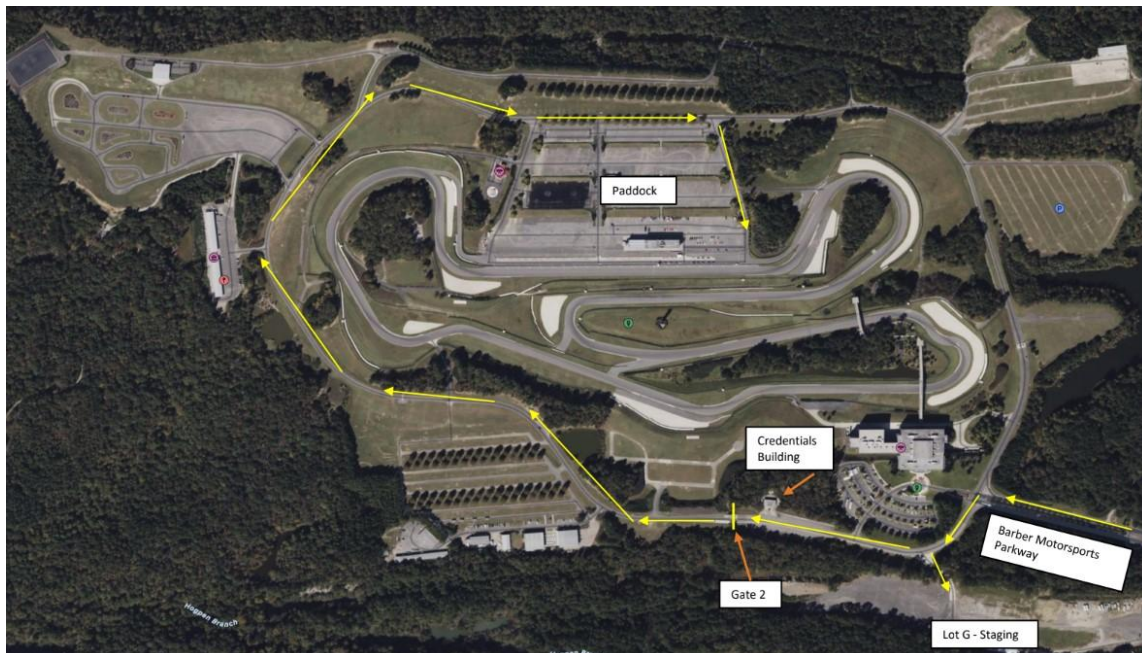

Waivers & Driver Info All participants must complete the [Max Track Time Driver Info & Electronic Waiver](#) prior to arrival. The team captain/registrant is expected to distribute this waiver to all drivers and crew. All drivers, team and crew must check in at the credentials office upon arrival.

The Barber Track waiver will be signed in the credentials office on site before load-in. Barber Motorsports Park requires all attendees to present a state issued ID at signing.

Load-In Load-in will be on Sunday, August 9th 6:00 PM – 10:00 PM. Max Track Time participants may park their race cars, haulers, and street vehicles in the Barber Motorsports Park paddock (see Facility/Paddock Maps section). Prior to load-in, teams may stage their trucks in Lot G on Barber Motorsports Parkway starting at 8 AM on Sunday. The gates will be 24 hours starting Sunday night but will close at 10:00 PM on Sunday night for those who do not have wristbands. The gates will re-open on Monday at 6:30 AM for teams checking in after 10:00 PM.

Load-Out All drivers/teams must exit the Barber Motorsports Park paddock by 7:00 PM on Monday. Teams may park their haulers in Lot G on Monday night and depart Tuesday morning. Gates will re-open at 5:30 AM on Tuesday for teams choosing this option.

Event Requirements

Cars This event will prioritize cars preparing for the SRO race weekend. Non- SRO cars must submit their entry request to charlie@maxtracktime.com for approval prior to registration. Entrants are expected to prepare their car for the duties of track driving to the minimum standard outlined in our [Tech Sheet](#). Should a car be suspected of not being safe for track use, the organizers reserve the right to deny track access at any point during the event. For questions about eligibility, please contact info@maxtracktime.com.

Drivers All drivers in race cars must have full racing gear including: Nomex Suit, SA2015/FIA2018 or newer Helmet, Racing Shoes, Balaclava, Nomex Socks, HANS device or comparable neck protection. Street car drivers must have a helmet meeting the above specification, long pants, and closed toed shoes. HANS devices are required in street cars with racing harnesses. Failure to have appropriate driving gear will result in denial of track access until appropriate gear is obtained.

MINORS NOTE ALABAMA CONSIDERS ALL PERSONS UNDER THE AGE OF 19 TO BE MINORS. Minors aged 16-18 are permitted to drive provided they have filled out our [minor waiver](#) and the [track's minor waiver](#). A legal parent or guardian must either be present, or have both waivers signed, notarized, and presented at the event for the minor to participate.

Track Rules

Scooters must not be parked at the base of the elevator/stairs in the race control building.

All attendees wishing to enter the hot pit area must wear closed-toed shoes. Improper attire will bar entrants from pitlane.

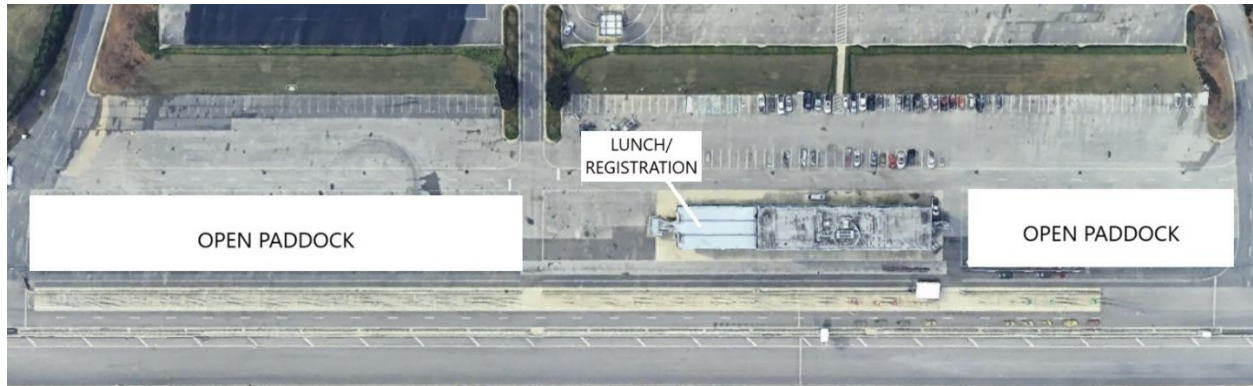

Minors wishing to be in the pit area, garage area, trackside communications stations, and any other location defined as the "Track Area" must also sign the minor waivers.

TRACK DAMAGE Drivers/teams are financially responsible for any damage that they cause to racetrack property including, but not limited to, tire barriers guard rails and posts. Additionally, any absorbent material used to clean up after spills or fire suppression equipment expended will be billed to the driver of the car. Teams are required to place pads or boards below any jacks, trailer landings, or motorcycle kickstands in the paddock. Failure to do so will result in fees to repair the damaged asphalt.
