VIRginia International Raceway Testing Event – August 3-4, 2026

Load-In & Schedule

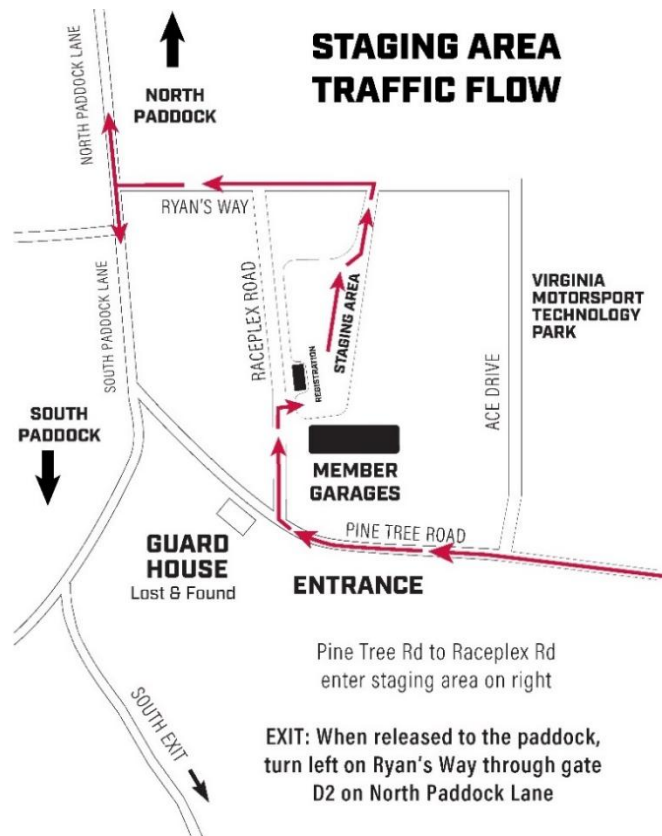

Waivers & Driver Info All participants must complete the [Max Track Time Driver Info & Electronic Waiver](#) prior to arrival. The team captain/registrant is expected to distribute this waiver to all drivers and crew.

Load-In Assisted load-in will be on Sunday, August 2nd 6:30 PM – 10:30 PM. Max Track Time participants may park their race cars, haulers, and street vehicles in the VIR North paddock (see Facility/Paddock Maps section). Prior to load-in, teams may stage their trucks in the staging lanes in the VIR staging lot. Teams arriving after 10:30 PM will be able to gain entry into the paddock, but load-in will be self directed.

Teams may load tents, timing stands, and fuel rigs onto pit lane starting at 8 AM on Monday, August 3rd.

Load-Out All drivers/teams must exit the VIR paddock by the end of the day on Tuesday, August 4th at 7:30 PM

Garages There are 18 powered garages available for this event. Garages must be reserved through Max Track Time registration on [MotorsportReg](#) prior to arrival. Garages are available at \$300 per bay for the duration of the event. If you have already registered and wish to reserve a garage, please contact info@maxtracktime.com. No fuel containers or jugs containing fuel are permitted in the VIR garages at any time.

RV Camping Reservations RV camping is allowed during this event. Teams and drivers wishing to camp must pay VIR directly at the entry gate. For camping requirements and pricing, please visit the [VIR Camping Information Page](#).

Paddock Vehicle Passes VIR requires every pit support vehicle, golf cart, scooter (seat required), etc. to purchase an annual paddock vehicle pass. Teams can purchase vehicle stickers for \$30 at the entry gate.

Registration/Driver's Meeting Registration and a short drivers meeting will be hosted in the classroom beneath the main paddock garages on Monday, August 3rd. Registration will be open from 7:00 AM – 8:30 AM in the classroom with the **Mandatory Drivers & Managers Meeting at 8:30 AM**. If a driver misses the driver meeting, a second meeting will be held at 9:30 AM. All participating drivers must sign in and sign the provided waivers at check in. **Please See Minor Driver section below for drivers under 18 years of age.**

Event Requirements

Track We request all participants review the [general track policies](#) on VIR's website. These policies cover requirements for participants both on and off track. Any charges incurred due to failure to observe these policies will be billed to the offending participant.

Cars This event is for race cars with priority given to teams competing in IMSA, Trans Am, or other professional series. Entrants are expected to prepare their car for the duties of track driving to the minimum standard outlined in our [Tech Sheet](#). Should a car be suspected of not being safe for track use, the organizers reserve the right to deny track access at any point during the event. For questions about eligibility, please contact info@maxtracktime.com.

Drivers All drivers in must have full racing gear including: Nomex Suit, SA2020/FIA2018 or newer Helmet, Racing Shoes, Balaclava, Nomex Socks, HANS device or comparable neck protection. Failure to have appropriate driving gear will result in denial of track access until appropriate gear is obtained.

MINOR DRIVERS Minors aged 16-17 are permitted to drive provided they have filled out both the track's [minor waiver](#) and our [minor waiver](#). A legal parent or guardian must either be present, or have the waiver signed, notarized, and presented at the event for the minor to participate.

Crew Any crew fueling on pit-lane must be in full protective gear consistent with their series requirements. Crew in cold pits, not involved in fueling, may wear shorts and t-shirts. Closed toed shoes are required.

Media All media personnel must submit their credentials to info@maxtracktime.com at least two weeks prior to the event for approval. Max Track Time will have a videography team on site for social media. Teams with specific media requests may inquire at info@maxtracktime.com.

Fuel VIR stocks Sunoco 93, 98, 100, and 110 octane fuel at their on-site fuel station.

For teams ordering fuel, please fill out the [Credit Card Authorization Form](#) and send to raceevents@vpracingfuels.com to place your order. All orders must be placed by Friday, July 17th. VIR will stage fuel drums up at the fuel island for pickup. Please ensure shipping is labelled with your team name and event name [Max Track Time]. A forklift will be available to transport fuel at \$30 per pallet.

Tire Changes [Quantum Speed Works](#) located in the VIR Technology Park will be providing tire mounting/balancing services during the event both days. Contact Luca at (434) 822-8222 or by email at luca@quantumspeedworks.com to order tires to the track. (see map to Quantum on last page)

Nitrogen/Air VIR will stage all nitrogen/air deliveries by the Safety-Kleen building by the bathroom building in the North Paddock.

Concrete Blocks Any teams requiring concrete blocks for their awnings may reach out to charlie@maxtracktime.com for assistance. Concrete blocks will be billed by VIR security at \$70 per block.

Packages / Shipping Any packages shipped to the track will be available for pickup at the administrative offices between 8 AM – 5 PM daily. For package pickup outside of these hours, please visit security to gain access.

Shipping Address:

[Team name / Max Track Time / Phone number]

Virginia International Raceway

1012 Raceplex Drive, Alton, VA 24520

Parts/Gear Support [TMI Racing Products](#) will be supporting our event. Their shop is located in the VIR Pagoda near the fuel corral.

Contact Phone: 434-822-6390

TRACK DAMAGE Drivers/teams are financially responsible for any damage that they cause to racetrack property including, but not limited to, tire barriers guard rails and posts. Additionally, any absorbent material used to clean up after spills or fire suppression equipment expended will be billed to the driver of the car. Teams are required to place pads or boards below any jacks, trailer landings, or motorcycle kickstands in the paddock. Failure to do so will result in fees to repair the damaged asphalt.
